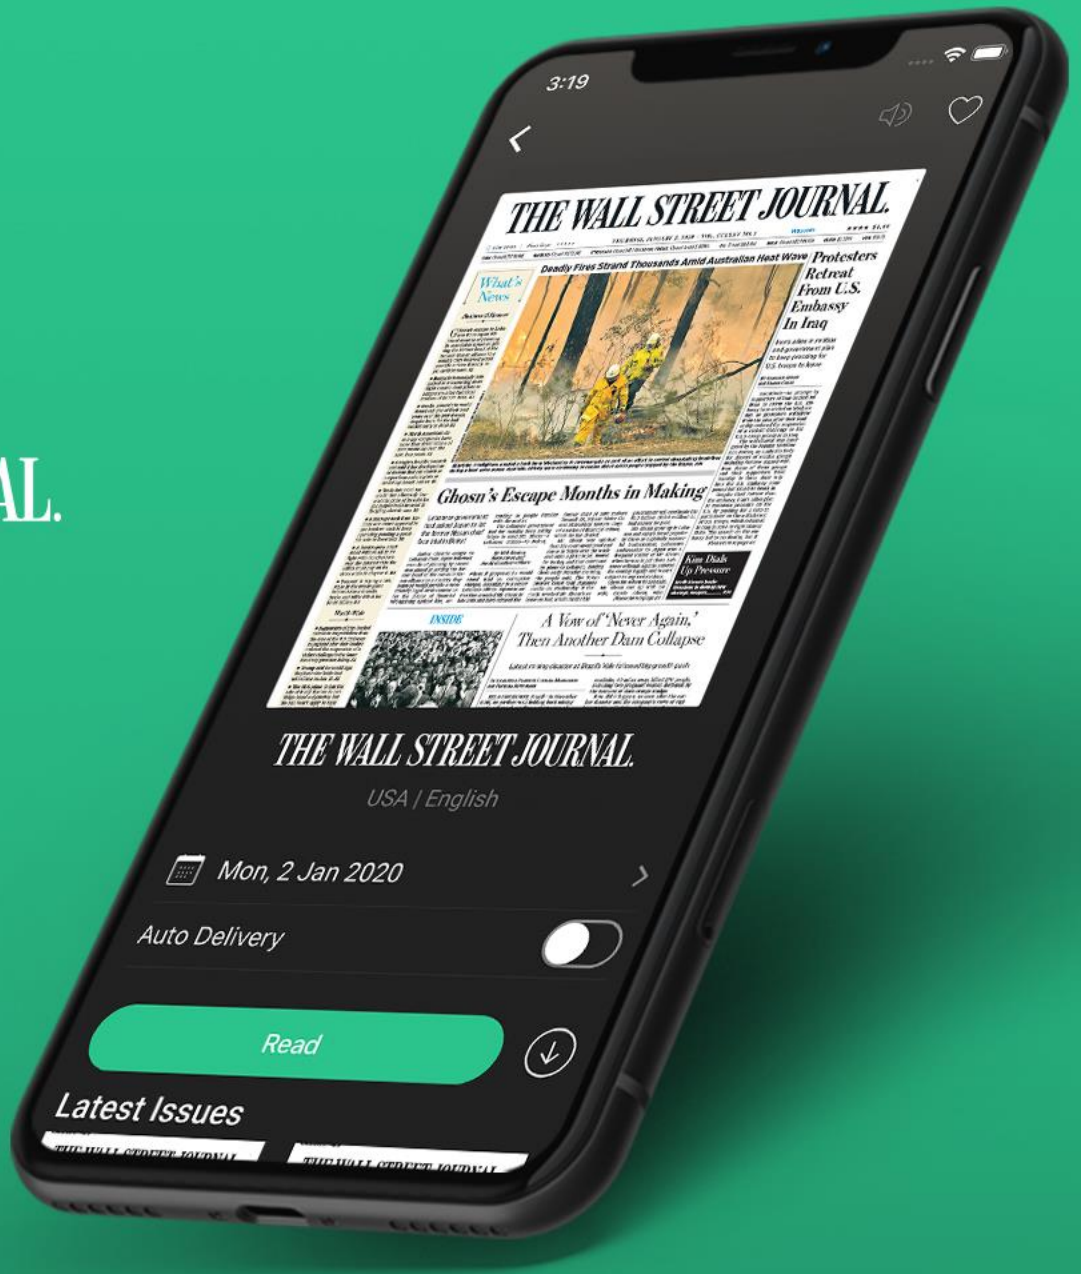
THE WALL STREET JOURNAL.

IT'S HERE.



The Wall Street Journal has arrived

The Wall Street Journal is now available for add-on with your subscription.

One of our largest business newspapers...

Recognized for its outstanding and accurate journalism with 38 Pulitzer prizes to its credit, The Wall Street Journal joins our prestigious collection of the world's best newspapers and magazines.

It is a business-focused, international daily newspaper based in New York City. With this included in the PressReader catalog, your patrons can read as much as they want about the latest news reported by the writers from Sixth Street in Midtown, Manhattan.

The Wall Street Journal has arrived

- The WSJ can be added to your existing PressReader Subscription Catalog* and the title will be available to you as a x% of your existing subscription rate.
- The add-on can be pro-rated to fall inline with your current subscription term.
- The add-on includes two personal WSJ.com subscriptions for your library employees, valued at $104 USD per annum.
- To sign up, speak to your dedicated Territory Manager for more details.

*WSJ add-on is only available for libraries outside the United States of America
